Subject: Confirm EPA quote

Hello,

I am a reporter at TIME Magazine, and am working on a story about the waste water leakage in the Animas/San Juan rivers.

I spoke to Navajo Nation president Russell Begaye, and he said that EPA officials told him in a meeting that the full clean up could take up to a "decade" before Navajo people could return to their normal lives on the river banks.

Just wanted to confirm if this is true. Hoping to hear back in the next one hour or so.

Best,
Aditya
